

Community & Charity Initiatives

1)The hotel organizes beach clean-up activities to protect the coastal environment.

2)Supporting a local school for deaf and mute students through donations and hosting educatal and recreational visits to our hotel.

(A visit from students of a school from deaf and hard-of-hearing students)

3)The hotel provides weekly food meals to orphanages as part of its commitment to supporting the local community.

4)The hotel offers financial donations to support charitable activities and humanitarian initiatives.

5) We created a public square in the local community as part of our community engagement activities.
